

ZEYAD SALAH ELSAYED ALI ELSHANAB

CS(AI) STUDENT

Phone : +971581944643 / +201202524495

Email : zeyadsalah134@gmail.com

Address : Abu Duabi , United Arab Emirates -

10th of ramdan , Egypt

[LinkedIn](#)

SUMMARY

Passionate Computer Science student focused on Artificial Intelligence and real world applications. Strong interest in Machine Learning, Large Language Models (LLMs), and problem-solving using Python and C++. Currently gaining hands on experience through ML and LLM internships, building practical AI driven projects.

EXPERIENCES

Uneeq Interns — Remote ,Egypt

2026 March - Currently

Machine Learning Internship

- Working on real world ML applications.
- Exploring Large Language Models (LLMs) and AI-based solutions.
- Applying machine learning concepts to practical business cases.

Tips Hindawi — Remote , Egypt

2025 Dec -2026 Feb

LLMs Intern

- Completed internship focused on Large Language Models.
- Worked with RAG (Retrieval Augmented Generation).
- Built and tested LLM based solutions.
- Applied prompt engineering and AI optimization techniques

Technical Skills

Programming

- Python
- Cpp

AI & Machine Learning

- Machine Learning
- Large Language Models (LLMs)
- RAG (Retrieval Augmented Generation)
- Model Evaluation

Projects

Audio Player Application

Oct 2025 - Dec 2025

- Developed a functional audio player using data structures concepts.
- Applied object oriented programming principles.
- Focused on performance optimization and clean architecture.

iOS Design Challenge – UI/UX Mobile App Project

Feb 2024 - Jun 2024

Sandooq Al Watan Program Project

- Designed an iOS mobile application interface following Apple Human Interface Guidelines.
- Created wireframes and interactive prototypes.
- Focused on user-centered design and usability principles.

PROFESSIONAL SKILLS

- Machine Learning Model Development
- Large Language Models (LLMs) & RAG Implementation
- Data Preprocessing & Feature Engineering
- Prompt Engineering
- Object Oriented Programming (OOP)

- **Algorithm Design & Problem Solving**
- **Git Version Control**
- **Agile & Team Collaboration**
- **Technical Documentation**

KEY SKILLS

- | | |
|--|--------------------------------|
| • Machine Learning | • Data Structures & Algorithms |
| • Large Language Models (LLMs) | • Prompt Engineering |
| • Retrieval-Augmented Generation (RAG) | • Problem Solving |
| • Python Programming | • Git & GitHub |
| • C++ | • Agile Methodologies |

CERTIFICATIONS

AI & Machine Learning

- NVIDIA DLI Summer Training Program: Generative AI (Beginner Level) – Information Technology Institute (ITI), Sep 2025
- Building LLM Applications With Prompt Engineering – NVIDIA, Oct 2025
- AI for All: From Basics to GenAI Practice – NVIDIA, Oct 2025
- Google AI Essentials – Google, Sep 2025
- Introduction to AI – Google, Aug 2025

AI for Business & Productivity

- Use AI Responsibly – Google, Sep 2025
- Discover the Art of Prompting – Google, Sep 2025
- Maximize Productivity With AI Tools – Google, Sep 2025

LANGUAGES

- **Arabic: Native**
- **English: Advanced**
